

PREMIER

Hotel & Casino Products

CONTRACT MANUFACTURING AND GLOBAL SOURCING SOLUTIONS

Core Competencies

- Premier Hotel & Casino Products is an independent woman owned company operating in the USA
- Our mission is to provide high quality products at fair market value to the hospitality and gaming industry
- We have strong relationships with a multinational network of strategically partnered manufacturers based throughout Asia and North America
- We were able to negotiate partnerships with numerous manufacturers and distributors in the USA who assist us with distribution and redistribution of products
- We provide manufacturer direct pricing, global strategic sourcing services and logistical support to the hospitality and gaming industry.
- Quality Control inspection of goods and logistical services

Differentiators

- ✓ Ability to import many products through our manufacturing partners that we've worked with in the past
- ✓ Established relationships with USA distribution companies that are willing to sell us product below fair market value and we will redistribute to our customers
- ✓ Sales and sourcing personnel with over 20 years+ experience working with clients in the hospitality industry
- ✓ Low Overhead
